

Location

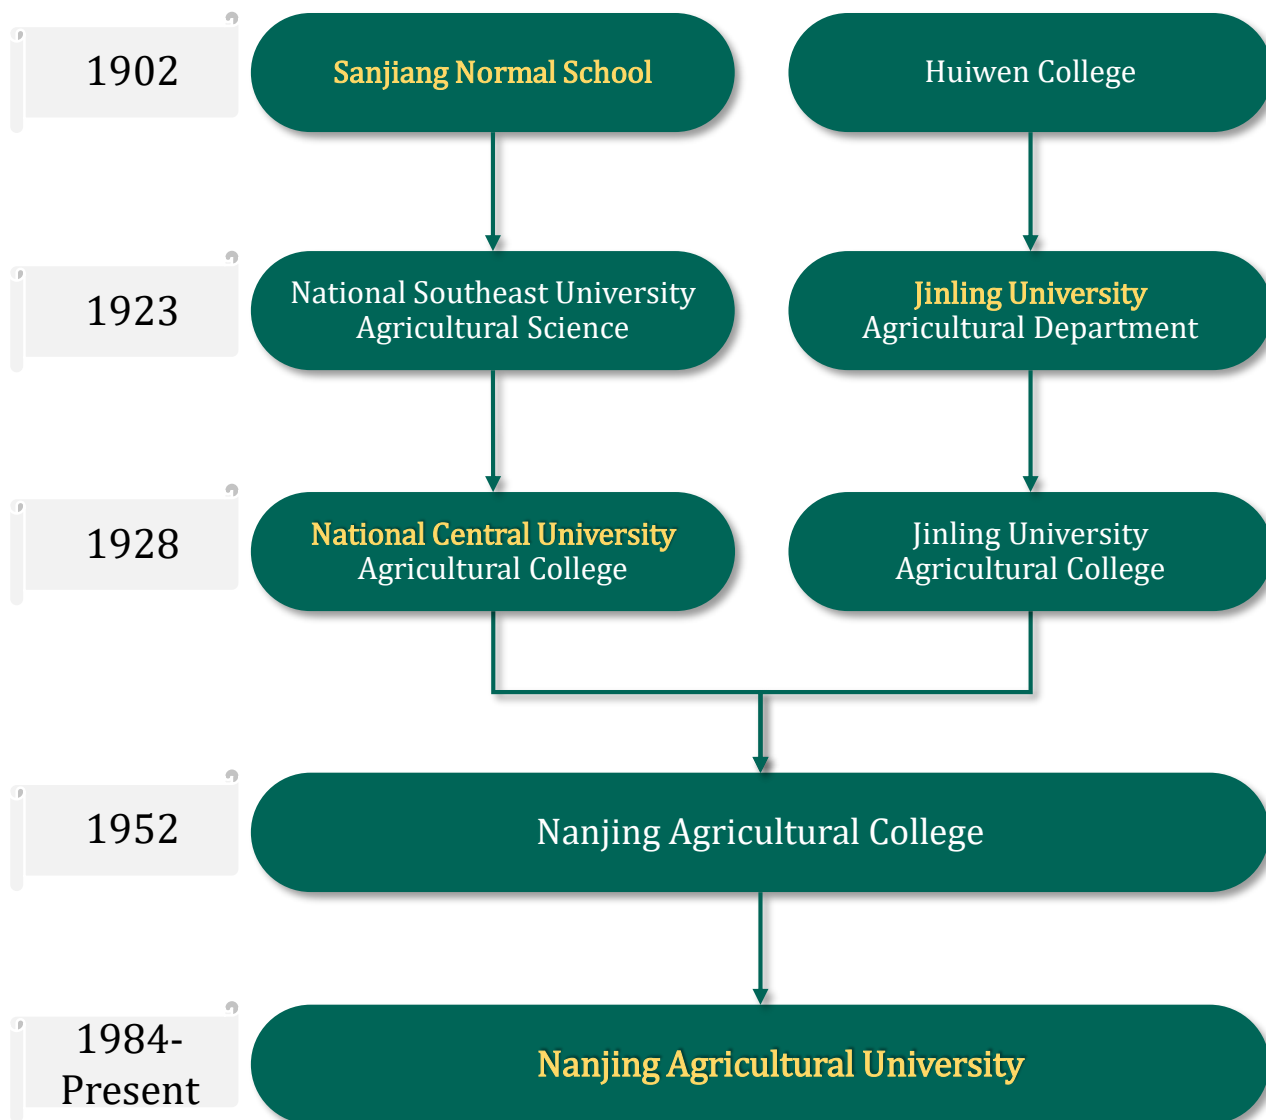

- ❑ The ancient capital of six dynasties, with a strong cultural heritage;
- ❑ Capital of Jiangsu province, located in a strategic place;
- ❑ Population over 8 million, ranking 26th in the world, with great potential for development.

- ❑ Transferred from the Ministry of Agriculture to the Ministry of Education in 2000.
- ❑ Is the national key construction university of "211 Project", "985 Advantage Discipline Innovation Platform" and "Double-first-class" first-class discipline construction university.
- ❑ Has cultivated more than 200,000 outstanding talents, including 54 academicians of CAS and CAE.
- ❑ Ranks 47 in the world of Agronomy, 401-450 in the world of Life Sciences.
- ❑ Ranks 301-400 in the 2018 Academic Ranking of World Universities (ARWU)

History - 117 years - Ranking 1th in Asia in 1948

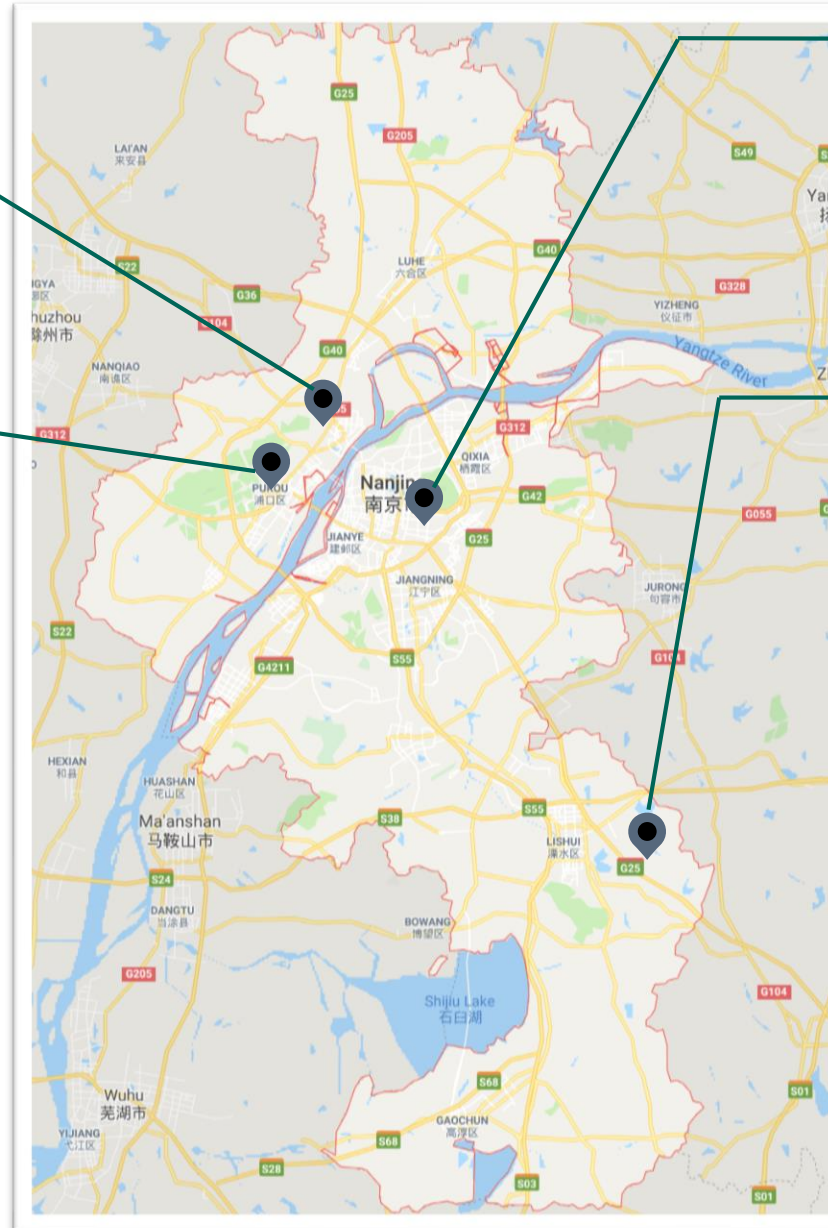

- Sanjiang Normal School is one of the earliest established normal schools in China.
- Jinling University was originally a private university founded by the American Christian Church. At that time, the society appraised it as "the best missionary university in China".
- The National Central University exceeded Tokyo Imperial University (now the University of Tokyo), ranking 1th in Asia and the ninth in the world in the 1948 World University Rankings issued by Princeton University.

Campus - 7 million m^2

Pukou Campus of NAU, including college of engineering, about 4.8 million m^2 , approximately 6,000 full-time students.

Jiangbei Campus of NAU, about 1.7 million m^2 , the planned total investment is 12 billion RMB (about 1.37 billion £). After the completion of the project, it is estimated that there will be 30,000 full-time students and 2,800 faculty members.

Main Campus of NAU, including other colleges outside the college of engineering, more than 1.3 million m^2 , more than 25,000 full-time students.

Baima Campus of NAU, is the base of teaching and scientific research, approximately 3.4 million m^2 , the total construction area is 152,000 m^2 , and the planned total investment is 822 million RMB (about 93.7 million £).

Faculties & Colleges

Faculty of Plant Science

1

- College of Agriculture
- College of Plant Protection
- College of Horticulture

Faculty of Animal Science

2

- College of Veterinary Medicine
- College of Animal Science & Technology
- College of Agro-grassland Science
- Wuxi Fisheries College

Faculty of Biology and Environment

3

- College of Resources & Environmental Sciences
- College of Life Sciences
- College of Sciences

4

Faculty of Food and Engineering

- College of Food Science & Technology
- [College of Engineering](#)
- College of Information Science & Technology

5

Faculty of Social Science

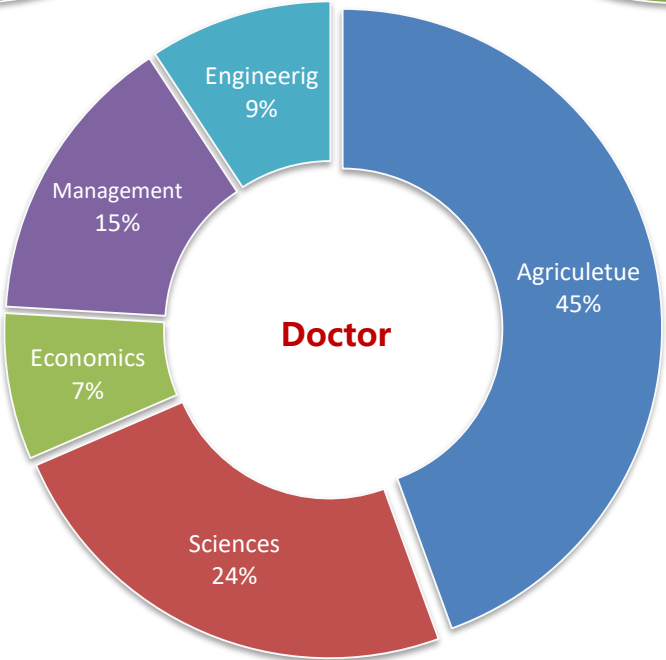

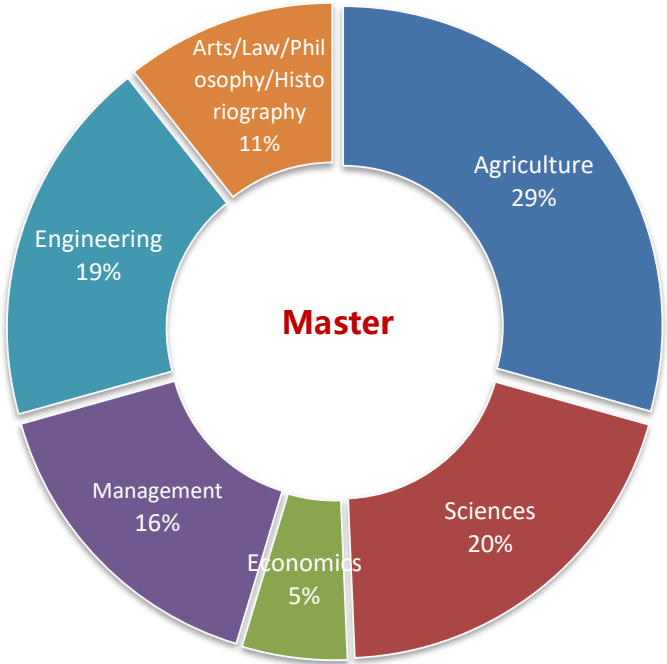

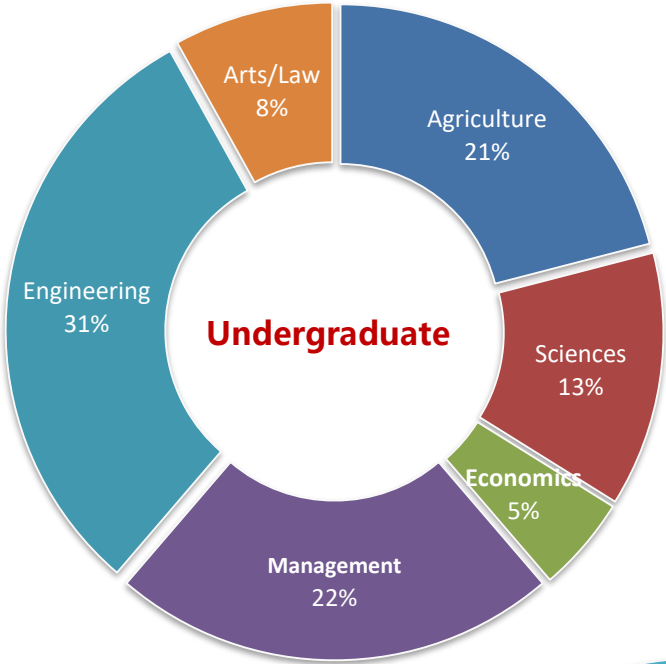

- College of Economics & Management
- College of Public Administration
- College of Humanities & Social Development
- College of Finance
- College of Foreign Studies
- School of Marxism
- Department of Physical Education

Distribution of Degrees

Disciplines cover Agriculture, Sciences, Economics, Management, Engineering, Arts, Law and so on, showing a comprehensive undergraduate education, multi-disciplinary master's education and characteristic doctoral education.

Discipline and Professional System at the end of the “12th Five-Year Plan”

- 15 post-doctoral mobile stations
- 16 doctoral degrees authorized first-level discipline
- 32 master degrees authorized first-level discipline
- 15 qualified professional degrees
- 62 undergraduate majors

Ranking - ESI - 7 disciplines are top 1% and 2 disciplines are top 1‰ in the world.
